Service Request Number for Communication with Registrar of Companies and Regional Directors

- MCA has directed the Registrar of Companies and the Regional Directors of MCA, at all locations, to enter all cases of complaints, inspections, inquiries, investigations and prosecutions against **Companies and LLPs**, in the MCA electronic registry, MCA21, before issuing any letter, notice, order etc. Subsequently, a **Service Request Number** (“SRN”) is generated, that is required to be *mandatorily specified* in all such communications to Companies, LLPs, and their officers, auditors, etc.
- MCA has advised to treat any such communication received from the Registrar of Companies and the Regional Directors of MCA, without a **SRN**, as *unauthorised* and *need not be responded to*.
